

NOW AVAILABLE

Advertise your business in the OFFICIAL 42nd Annual *Victoria Classic Boat Festival* Program!

The official event program showcases some of the most beautifully restored and well-maintained vessels in the Pacific Northwest, which will be docked in Victoria's famous causeway over Labour Day Weekend. The festival program is distributed to boat owners and visitors alike, with information on the boats at the festival, as well as the events and activities taking place all weekend long, including speaker presentations, boat races, floating exhibits, musical performances, parades, food and drink venues, and family-friendly activities. On average, the event brings 10,000 visitors over the weekend.

As in previous years, 3000 copies are to be distributed. A special 42nd edition of the Festival Program is in production, to be distributed to both festival registrants and attending spectators. Given the high profile and large attendance of this event there exists a unique opportunity for local businesses to expand their reach to visiting tourists, locals, and mariners alike!

DEADLINE TO RESERVE: July 26, 2019
